6 being of foremost importance; and

7 WHEREAS, chief among those interests is the most effective use of the discrete and

24 conduct such analysis, and a delicate balancing of priorities; and

25 WHEREAS, it is of vital importance for the members of the General Assembly, in
26 executing their duties and responsibilities to the people they represent, to understand the

2 and lasting benefit of the people;

3 NOW, THEREFORE,

4 ***Be it resolved by the General Assembly of the Commonwealth of Kentucky:***

5 ➔Section 1. The Director of the Legislative Research Commission shall engage

15 General Assembly and staff of the Legislative Research Commission with the information

17 development initiatives and incentive programs. The study shall also include an analysis
18 of similar requirements in place among Kentucky's sister states, and if the consulting firm

21 such recommendations.

22 ➔Section 4. The consulting firm shall also examine the clawback provisions in
23 place in the Commonwealth, as well as those in place among its sister states, which
